Experience Working With Children

**Hours:** 40 hours per week; Tuesday through Saturday, 10 a.m.-6 p.m. Some early mornings/evenings/weekends will be required. Above schedule is somewhat flexible.

**Job Responsibilities:**

1. Work with MDT Coordinator & Forensic Interview Specialist to schedule appointments with families and partner agencies (Alaska State Troopers, Bethel Police Department, Child Protection etc.) in response to concerns about child sexual or physical abuse.
2. Work with MDT Coordinator & Forensic Interview Specialist to obtain information from partner agencies to track reports and cases of child abuse in the YK delta region.
3. Act as a liaison between families or non-offending caregivers, frontline workers, and agencies.
4. Obtain information from family questionnaires, team members, and observations to assess the needs of the child and family. Help families identify support/resources/referrals that will be appropriate for them and assist families with accessing those.
5. Provide parents with appropriate resources and interventions to help children who may have been physically or sexually abused. Assist families who wish to apply for Violent Crimes Compensation.
6. Accompany children and their families to relevant medical appointments.
7. Establish and maintain open and professional communication with team members.
8. Facilitate weekly internal staff case reviews.
9. Facilitate quarterly meeting between mental health professionals in Bethel.

10. Meet with MDT Coordinator & Forensic Interview Specialist (and TWC Legal Advocacy program) daily to check the Bethel court calendar and discuss advocacy/coverage.
11. Communicate one time per week (Tuesday) or as needed with the DA's office about upcoming client court dates.
12. Accompany clients to court and attend Sexual Abuse of Minor (SAM 1, 2, 3 & 4) court proceedings if families are unable to attend.
13. Coordinate with the Tribal Victim Assistant to work with local tribes to ensure that tribes are involved in team decision making and case reviews when appropriate.
14. Travel to villages when necessary to work with families and community service providers.
15. Work with Tribal Victim's Advocate to promote village services for families by participating in village based presentations, workshops, and meetings with frontline workers and tribal councils to increase the awareness of how to respond and sexual abuse treatment basics.
14. Assist Program Manager with grant reports, research and grant writing
15. Work with MDT Coordinator & Forensic Interview Specialist to maintain client files and records, including using specialized electronic database.
16. Attend trainings and meetings as required.
17. Other duties as assigned.
