

# Individual Assistance

Grants to Individuals and Households are available through Tundra Women's Coalition.

Bethel households that need assistance with expenses as a result of COVID-19-related loss of income or economic hardship will be eligible to apply. Applications from individuals and households residing in Bethel will be given priority. Individuals who work in Bethel or stay in Bethel for extended periods of time, but officially reside in another community, may also apply. Businesses and nonprofit organizations are not eligible to apply. Each individual or household may only apply for this grant one time. A total of \$100,000 has been allocated for this program.
